

# See Differently

GLOBAL MISSION CONFERENCE

**DNA**2021

**NEIGHBOURHOOD  
PRAYERWALK  
GUIDE**

Today, God is inviting you to **See Differently** – to see your neighbourhood differently and to see yourself differently in your neighbourhood. Most importantly, He is inviting you to see how you can be a part of what He is doing in your neighbourhood!

God's Word always helps us to see differently, from God's perspective. So, we begin our prayerwalk with this prayer:

*"We pray that the eyes of our hearts will be opened so that we can know the hope of our calling as His holy people."*

**EPHESIANS 1:18**

Seeing with **the eyes of our hearts** means that we see with hope – the hope we have because of Jesus. When we see what is good, we celebrate. When we see what needs to change, we pray.

**Knowing hope** is really important – especially now, when people have been separated during the pandemic. Now is the perfect time to see and pray the hope of Jesus into our neighbourhoods.

Our calling as **His holy people** means that He has chosen YOU to live in this neighbourhood to share His love and His good news with your neighbours.

Before you step outside, take some time to ask yourself: **“What does God hope for my neighbourhood?”** Use the space below to express your thoughts and prayers.

Look over the list on the following pages called **GOD'S HOPE FOR MY NEIGHBOURHOOD**. These themes of hope will guide our prayerwalk. With each hope you will find a Bible verse and a short prayer to help you pray that hope for your neighbourhood.

Use the space provided throughout the guide to record your observations and prayers as you go. You can be creative - write, draw, or make a collage!

Now, let's begin our prayerwalk together seeking with the eyes of our hearts all that God hopes for us and our neighbours.

### 2 CORINTHIANS 9:10

Thank God for how He provides daily everything you need. Pray for the stores and businesses in your neighbourhood. Don't forget places like your community garden or local food bank if you have one!

Take a picture of yourself and your **PROVISION** sign with someone who works at one of the stores, businesses, or community spaces in your neighbourhood.

*Provider God,*

*Thank you that you give me and my neighbours food, clothing, and so much more. Bless all the people who work at the stores and businesses in my neighbourhood. If there are neighbours who do not have enough, help me to be generous and to share the good things you have given me.*

*Amen*

How I see God providing for me and through me in my neighbourhood...

*All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals including the Lord's Supper, and to prayer.*

*Our Father,*

*You are the Lord of every church in my neighbourhood. Keep each church loving, true, and faithful to you. Bless those who lead the churches. Keep them good and kind. May there be unity among all of us and may we work together to love and serve our neighbours in the name of Jesus.*

# Friendship

*'Love your neighbour as yourself.' There is no commandment greater than these.*

- ☐ ☐ Take a picture of yourself with your **FRIENDSHIP**
- ☐ ☐ sign together with one of your neighbours.

*Loving God,*

*Fill us with your love and care for our neighbours.  
May we learn their names because you know each

opportunities to share your love with each of them.*

*Amen*

God sees each of my neighbours and knows them by name...

**GOD'S HOPE FOR MY  
NEIGHBOURHOOD**

# Compassion

*Share your food with the hungry, and give shelter to the homeless. Give clothes to those who need them, and do not hide from relatives who need your help. Then your salvation will come like the dawn...*

**ISAIAH 58:7-8**

Some people in our neighbourhood need special care and attention – those who live alone, those who are sick, those who ask for money when our cars stop at stoplights – they all need us to care in a special way. We begin by seeing them with Christ's love and as we pray for them, God will show us how best to show love and care.

We won't be taking a picture at this station, but take some extra time to pray for those who need special care and love in your neighbourhood.

*Compassionate Jesus,*

*You always took time to care for those who were sick, lonely, and in need. Please give me the eyes to see people who need special care in my neighbourhood. Show me how I can care for them in your name, so that they will know that you love them and answer their prayers.*

*Amen*

God helps me to see and care for those who  
are alone and in need in my neighbourhood...

## GOD'S HOPE FOR MY NEIGHBOURHOOD

in his hand because of great age. The  
streets of the city shall be full of boys
