Let's Study

When you hear the word *power* what comes to mind? Share some examples with the group.

Read Acts 1:8 and Acts 4

Let's Study

Worldly vs Spiritual Power

1. What were some of the power structures Danielle mentioned?
2. What kind of power does God employ when advancing His purposes and plans on the earth and in our lives?

Lacking Physical Power, but Being with the One who has All Power.

3. Read Acts 4:13. What about this verse stands out to you? Keep in mind that it happens in a context of religious and political power. How do the disciples differ in their relationships to this kind of power?
4. How does time with Jesus change our perspective in regards to power?

Let's Apply

5. We've learned that God employs spiritual power in advancing His purposes and plans on the earth. What does this mean for us? Where should we seek power and how do we demonstrate God's power in our world?

Let's Pray

- That we would be aware of the temptation to seize power from sources outside of God.
- Wisdom to use God's power by giving it to those who lack power.
- That our church would be motivated by seeking and being with Jesus, the One who said "all power in Heaven and Earth is given unto me. (Matthew 28:18)
