PURPOSE:

The Missions Cohort will seek to help young adults discover where God is uniquely calling them to invest into, long-term for His kingdom. This will be a 12-month cohort that will include: an exposure mission trip to a mission's conference followed by a week of ministry in the Middle East (July 2023), followed by an 8-month Missions cohort (Sept 2023-Apr 2024), a missionary retreat (May 2024), and active involvement in leading the Global Missions Conference at The Peoples Church (June 2024).

MISSION COHORT GOALS:

- To strengthen and help them to lead and love others effectively
- To sharpen their skills for missions and mobilization within their communities

MISSION TRIP DESCRIPTION:

In July 2023, our team will head to Egypt to attend a conference followed by a week of ministry in various locations.

In this conference we will meet with all Jossour Egypt team members, Jossour missionaries in the fields and with their field and ministry partners from different countries of the MENA region, Ye, Sy, Chd, Alg, Leb, Jor, Irq, Tun, Sud, and many other places so we can all celebrate and rejoice together with what God is doing and pray for the different nations of the MENA region.

The mission training conference consists of a 4-day training in Egypt alongside 200+ young adults from around the MENA region (Middle East North Africa). Afterwards, our team will join various teams of young adults from Egypt to be a part of a week of missions and outreach around the Middle East.
