

FAITH PROMISE

Together in God's
global mission

And all of this is a gift from God who brought us back to Himself through Christ. And God has given us this task of reconciling people to Him. For God was in Christ, reconciling the world to Himself, no longer counting people's sins against them. And He gave us this wonderful message of reconciliation.

- 2 Corinthians 5:18-19

We believe that Christ came to bring salvation to the whole world.

We also believe that once we have experienced the peace and joy of Christ's reconciliation, we are then called to join Jesus in His mission of love – which is to bring His salvation to all peoples.

The Peoples Church has been raised up by God as a movement of people who believe that Jesus longs for all nations to be united by His salvation, and who make it a life priority to take active part in sharing His love with all peoples.

As we commit to active participation in sharing the love of Jesus with all peoples, a key element is to invest our financial resources in mission partnerships. For this reason, we invite all those who share this calling of God's global mission to make a **Faith Promise** commitment.

Faith Promise is a commitment to financial investment in God's global mission.

We call this a Faith Promise commitment because:

- **It is an act of faith.** Giving in this way reflects priorities other than the priorities of this world. It is an investment with an expectation of significant kingdom impact as its return.
- **It is a promise of commitment** that requires planning and follow through so that our support proves faithful and trustworthy for our partners around the world.

This investment is something other than your tithes or offerings. Your tithe or offering is a particular act of worship to God, that must have its own place in your financial planning.

Faith Promise is something more.

Because of our commitment to sharing the gospel of Jesus Christ with all nations, we invite each believer to prayerfully identify their financial priorities, and to make **global mission** a consistent budget line that reflects its significance in your life.

As you plan your budget, we ask you to prayerfully consider how God is calling you to invest your finances in Global Mission. We ask that you maintain this commitment faithfully – trusting God for His provision in this area and every area of your life.

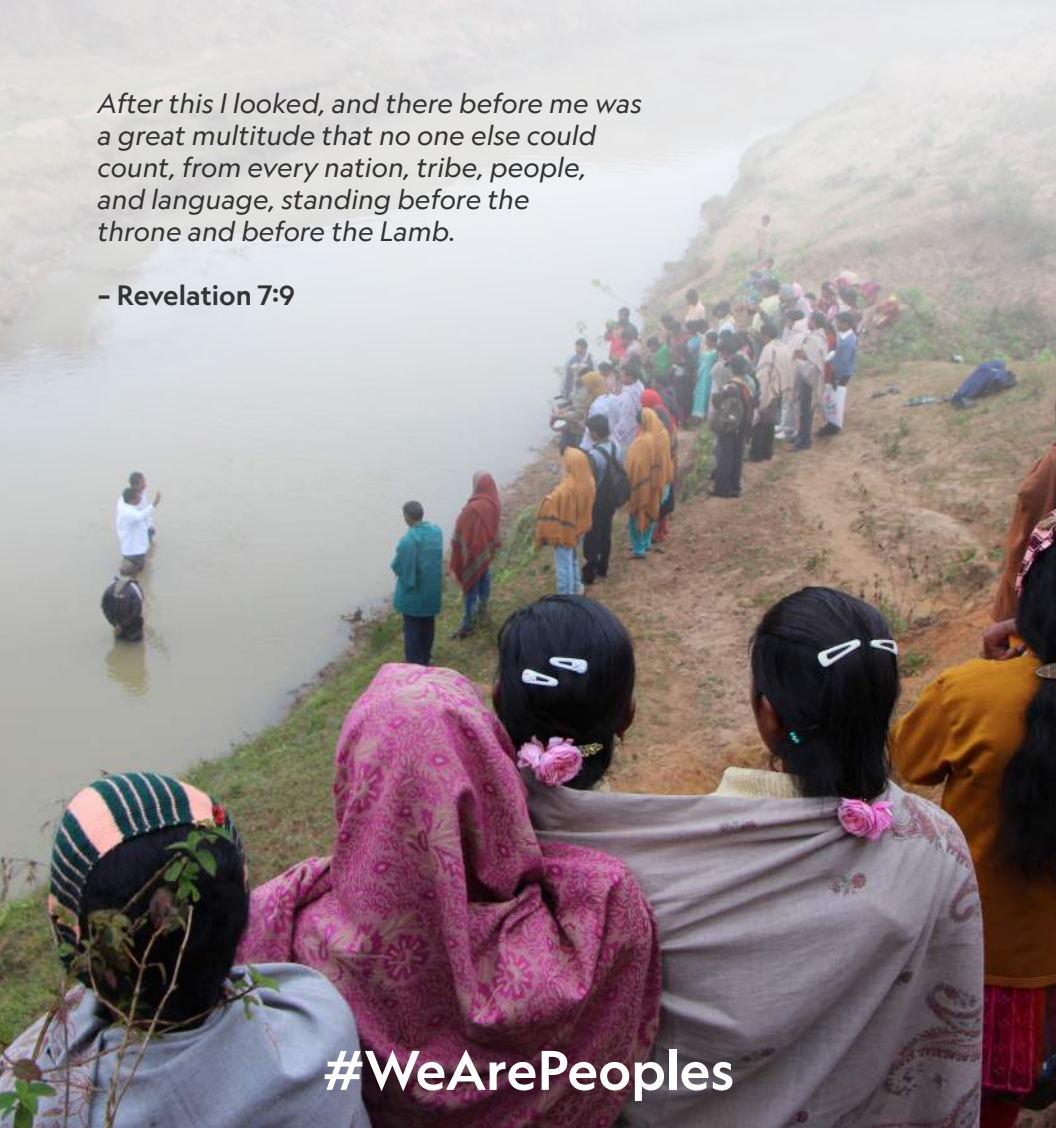

To stay informed of the kingdom impact God is producing through our shared Faith Promise giving, please go regularly to **ThePeoplesChurch.ca/GlobalMission**.

God is raising up missionaries all over the world who are united in this same vision and calling – that all would experience the salvation of Jesus. Our shared financial investment in these global partnerships is blessed by God to produce incredible kingdom impact.

After this I looked, and there before me was a great multitude that no one else could count, from every nation, tribe, people, and language, standing before the throne and before the Lamb.

- Revelation 7:9
